Half Grand Parks, N.D. - (38' front) (J.B.K.)

? of taking add. space. - cost 25 to 30M. - gain 134'

ANN. has 75' front. (get 52% of bus)

J.J.M. also has larger store than we have. (50' front)

We did 155M. vol. net of \$17,000.

Let analyze both ways, + see if it pays.

10/12/68 - So. Bend - J.B.M. reports that we have such a hardship
case. position here that city will not require us to have off-st
parking.
